

Dear Parent/Guardian:

Pursuant to the federal *No Child Left Behind Act* and the *National Defense Authorization Act*, Lansing Central School District must disclose to military recruiters, upon request, directory information for students including the names, addresses and telephone numbers of our high school juniors and seniors.

The law allows parents, or students who are at least 18 years old, to request, in writing, that the school decline sending that information out to recruiters. If you do not want us to provide military recruiters with your child's name, address and telephone number, please fill out the form below and return it to the LHS Student Services Office by **September 30**.
